CONCUSSION PROTOCOL

Our commercial insurance carrier requires us to have a concussion protocol in place should an injury ever occur where a concussion is suspected or even a remote possibility. Here is our policy:

In the event that an injury occurs during a Kids, Incorporated sponsored activity, and where a possible head injury is involved, the Kids, Incorporated office should be notified immediately. Generally, our paid officials will contact our office should an event of this nature occur.

Kids, Incorporated will require a "Permission To Return" document from a licensed, medically-trained professional, before allowing the player to participate in future scheduled activities.
